## Office is dead! Long live new office?

**Main Speakers:** Ian Bryan, Architect, Ian Bryan Architects, Jan Stehlík, COO, Deloitte CE  
Martin Skalický, Chairman, REICO investiční společnost České spořitelny, a.s.

Is there still a role for the office? Some say it is dead and will shortly be buried next to the fax machine and floppy disc. Co-working spaces and distributed companies should come next. Really? Is it the right way to move forward and cut costs?

### The discussions will include:

- The changing workplace: Czech perspective-the last 20 years
- How work environment contributes to productivity and well being?
- Is it worth the investment?
- Can the quality of work environment be measured?
- Is there still a role for the office?

Lets discuss those new trends, opportunities and risks at the Green Building Club.

### Programme:

18.00 - 18.30	Welcome
18.30 - 18.40	Introduction of new members: Desso, CzePho, Dům plný úspor
18.45 - 19.30	Discussion panel
19:30 - 20.00	Networking and tour: Zumtobel Lighting Solution and office
